WAYPOINT SOLUTIONS GROUP NAMED TO MSPMENTOR 100 LIST

One of Charlotte's fastest growing Information Technology Managed Services providers named to exclusive listing honoring Technology Industry

CHARLOTTE, NC – February 4, 2008 – Charlotte based Waypoint Solutions Group, with expertise in active directory, messaging, systems management and web solutions to companies worldwide, was the only Charlotte company named in MSPmentor 100. This distinctive list recognizes IT managed service providers, integrators and consultants who vastly improve customer service for their clients.

Through managed services, Waypoint Solutions Group delivers proactive, 24/7 customer care to small, midsize and large enterprises. The net result for customers is a dramatically improved IT infrastructure that speeds the flow of business.

“Our goal is to customize the Information Technology solutions our clients need so they can better focus on their core business initiatives,” said Dan Wilson, President of Waypoint. “Being recognized in the MSPmentor100 list shows us we are doing the right things as we grow our organization and our client base.”

Waypoint has experienced significant growth over the past year including their customer list up from 4 major clients to the current 64. The number of employees has doubled to 30 current staff members and they have created 150% revenue gain over the past 12-months. A second Charlotte office opened in January near Lake Norman, allowing Waypoint to offer more convenient client services on the north and south sides of Charlotte.

Waypoint has also been recognized for the past two years as a Microsoft Gold Certified Partner, demonstrating dedicated focus to their Microsoft customers. The addition of the MSPmentor 100 award to Waypoint’s accolades allows for benefits including access to networking, training and support giving a competitive advantage in the market.

“Qualifying for the MSPmentor 100 is an amazing accomplishment,” said Joe Panettieri, editorial director of MSPmentor, published by Nine Lives Media Inc. “We analyzed the business performance of over 500 technology consulting firms and managed service providers worldwide. Only the ‘best-of-the-best’ landed on the MSPmentor 100 list.”

The complete MSPmentor 100 report, along with comprehensive coverage of the managed services market, can be found at www.mspmentor.net
